In compliance with Order No. 2513,¹ the United States Postal Service gives notice of filing Global Expedited Package Services – Non-Published Rates 6 (GEPS NPR 6) customer agreements with serial number ending in 0009 to 0010.² The effective date for the two agreements filed with this notice is listed below.

¹ Order No. 2513, Order Approving Changes in Prices and Model Contract and Adding Redesignated Global Expedited Package Services – Non-Published Rates 6 to the Competitive Product List, Docket Nos. MC2015-23 and CP2015-65, May 27, 2015 at 8.

² The full serial numbers, which contain fields useful to the Postal Service's administration of the contracts, appear on the first page of the contract and in the text of this Notice.

³ The common template is the GEPS – NPR 6 model contract, which was filed as Attachment 3 to the Notice of the United States Postal Service of Change in Prices for Global Expedited Package Services – Non-Published Rates 5 (GEPS – NPR 5 Version 2) and Application for Non-Public Treatment of Materials File[d] Under Seal, Docket Nos. MC2015-23 and CP2015-65, May 7, 2015 ("GEPS – NPR 6 Notice").

⁴ The Postal Service acknowledges that the agreement may include some minor variations from the GEPS – NPR 6 model contract, such as an additional Article 33, "Conditions Precedent."

FY15-MAY15-M-T3-0001, filed in this docket as Attachment 1 to the Postal Service's notice dated June 10, 2015,⁵ as representative of the contracts filed.

The unredacted version of the inputs worksheet that was used to generate customer-specific rate tables for the agreements for which the Postal Service is providing notice is being filed with the Commission under seal. The inputs worksheet is identical to the inputs worksheet that was included in the Postal Service's notice dated June 10, 2015.⁶

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's May 7, 2015, notice in this docket.⁷ The application protects from disclosure similar information in the contracts and inputs worksheets that the Postal Service is filing today with the Commission under seal in this docket.
